

Certificate

of Compatibility for the following BRC Solar optimizers

Power Optimizer M500

Power Optimizer M600-E

with the inverters from **AXITEC Energy GmbH & Co. KG**

Please check the current approval status of your specific inverter model exclusively via the
BRC Inverter Checker.

Only the configurations listed there are considered to be fully approved.
The maximum permissible number of optimizers per string is also shown in the Inverter
Checker.

To confirm trouble-free operation, standardized compatibility tests were carried out. These are repeated at regular intervals with the inverter manufacturers' most current product portfolio to ensure compatibility.

We hereby confirm that the tests were carried out without issues according to the standardized test procedure.
